Reason for Vote

My reasons for voting for H. B. No. 141:

I view the discord, the turmoil, the violence on our campuses across this great Nation as our greatest challenge. Not in threat, but in reaffirmation of our basic principles of human rights, to the campus dissenter and to the campus protestor, I say you have the right to dissent peacefully, to protest peacefully, and to make your grievances known peacefully, and I will support and protect this right in any way possible. But to the campus dissenter and to the campus protestor, I also say, you don't have the right to disregard, you don't have the right to abuse your fellow students and the people who provide the campus by taking over its buildings, by tearing up its offices or by preventing your fellow students from going to classes. Such violence and destruction can only lead to anarchy.

We must and will protect the rights of campus dissenters and the campus protestors to do so peacefully, but at the same time, we must protect the rights of other students and the people of Texas. This bill will help to do so.
